

Personal Invitation...Engage with a Small Group today

"Whenever two or three of you come together in my name, I am there with you" (Matthew 18:20)

This is referring to a special meeting together with God when we seek Him as a group. It is very important to God that we develop and cultivate close and personal relationship and commitment to one another and it is in small groups that this can best develop.

During the first two centuries Christians met with one another in their homes where together they shared their stories of faith, increased in their understanding of God and His Word, encouraged one another as they shared God's working in their lives, became empowered by the deepening of their

relationship with God and with one another, enjoyed personal support from others and discussed those often difficult questions in a safe and loving environment. This is the Small Group.

The basic building blocks of the Church are the Small Groups where the members are committed to one another as to Christ. Isn't it time you stepped up to become engaged with a small group?

Please contact one of the following Small Group leaders directly if the day suits you:
